**R= RECYCLING      L=LANDFILL**

All solid waste is delivered to the Resource Recover Center.

Waste Separation Procedure & Schedule available at the City of Preston/Preston Public Utilities.

You may be responsible for any liability that results from contamination at a facility where your waste has been deposited. Minnesota believes that its waste management system provides substantially more financial and environmental protection than depositing waste in landfills in other states. Managing your waste in Minnesota may minimize your potential liability.
