

PRESTON VETERAN'S HOME

There is still time to
donate! The Federal

February 28th, 2019!

In the event the Preston Veteran's Home is not built, all funds received will be used for local Veteran's projects and causes as determined by the Preston Area Community Foundation.

- ▶ Proposed to serve 15 Counties in Southeastern Minnesota
- ▶ \$30+ million facility cost
- ▶ Most veterans left their communities behind to serve their country - having veterans homes in Greater Minnesota ensures our veterans don't again need to leave their communities to get the care they deserve.
